Los Angeles Women Banding
to Rescue Girls from Grave
Danger Conditions

SAN FRANCISCO, June 24.—A special committee of the grand jury is today preparing a report showing that "white slave" conditions in San Francisco are appalling. Members of the committee refused to discuss specific cases, but declare that not alone are women in Chinatown enslaved, but the custom is extended throughout the city, and scores of girls are falling victims to an organized band of white slavers. One member declared the grand jury will continue its investigation and will ask police assistance. It is believed the investigation made already will result in indictments.

SPANISH LECTURER HELD
TO ANSWER TO GRAND JURY
SAN FRANCISCO, June 24.—Grace Ellifritz, known as Grace Carter, on whose accusation Jose Hidalgo, lecturer in Spanish at the University of California, arrested yesterday in connection with the white slave traffic, will tell her story to the grand jury today. Pending the jury's action Hidalgo is held detainee. Zeceos Posada, named by the woman as the youth who was introduced by Hidalgo, appeared at police headquarters and stated he was willing to appear as a witness. Members of the University of California faculty are incensed by the newspaper connection of Hidalgo with the faculty. They say he never was a member of the university set.

WOMEN ORGANIZING MOVE
TO FIGHT HORRID TRAFFIC
LOS ANGELES, June 24.—A call, signed by a dozen prominent women, was issued today for a meeting at the Y.W.C.A. to discuss means of proceeding against the "white slave" evil here. Women heading the movement say that white slavery is increasing in Los Angeles, and that this season of the year is particularly dangerous to girls, as hundreds are leaving schools and seeking employment as domestics, in factories and hotels. They claim they have evidence that agents of the "slavers" are following the girls to the hotels and are working systematically.

SAN DIEGO BOOSTERS
FOR MINING CONGRESS
SAN DIEGO, June 24.—A special train carrying from 700 to 1000 San Diego boosters with a brass band to head the delegation to the American Mining Congress convention in September in Los Angeles, was the promise made to a party from the Sierra Madre Club of that city Wednesday night at a joint meeting of representatives from the Chamber of Commerce and the Chamber of Mines.

SPALDING'S REPLY TO CONSTITUENTS

Will Run for Senate if He Can
Do so Untrammelled from
Promises

SAN DIEGO, June 24.—In a lengthy letter, A. G. Spalding, the former base ball star and millionaire sporting goods manufacturer, has replied to the letter asking him to announce his candidacy to succeed Senator Flint in the United States senate. The letter said in part:

"If I were sure of being able to represent and work in harmony with the people, regardless of their politics and unhampered by political commitments I would be more disposed to accept the nomination, but on the following conditions: I should not be required to make pre-election promises nor become committed to any special interests, organized bodies, or individuals. I should not be expected to make a personal canvass of the state."

ANTI-OPTION BILL PASSED

Stock Gambling to be Squelched; Appropriations Acted on;
3 Submarines Ordered

WASHINGTON, June 24.—By a vote of one hundred and sixty to forty-one the house passed the Scott anti-option bill, the measure prohibits gambling in cotton "futures" and requires dealers to file affidavits attesting their intention of actually delivering the cotton and their ability to do so.

Rout Madrizites and Capture
Acoyapa—Ready Now to
Attack Managua

BLUEFIELDS, June 24.—General Mena, commanding the main body of the rebel army, has routed the Madrizites and captured Acoyapa and is in position for a strategic attack on Managua, according to reports reaching here today. The messages state that the insurgents again have the upper hand and the administration troops will be forced to the defensive before Managua.

ARIZONA CONVENTION
Party Takes New Life in Southwest Territory—Chafin to Live in Tucson

PHOENIX, Ariz., June 24.—(Special Correspondence) —The Prohibitionists of the territory of Arizona held a convention in this city today and nominated the Hon. Ostrom Gibson of Tombstone for delegate to Congress. The convention raised \$940 for work during the ensuing year, an average of nearly \$9 for every Prohibition voter in the territory, and determined to employ an organizer as soon as a properly qualified man can be found.

A somewhat lengthy platform was adopted, which reiterates the national platform adopted at Columbus and adds other declarations upon the party policy in Arizona.

COMMISSION DECLARES IT HAS NO POWER

That Railway and Steamship
Companies of Alaska Not
Under Its Control

NO SUPERVISION OVER
GUGGENHEIM INTERESTS

Wickersham Advocates Federal
Control of Railway Bond
and Stock Issues

WASHINGTON, June 24.—The Interstate Commerce Commission has decided it has no authority over the railroads and steamship lines of Alaska. The commission holds Alaska is not a territory of the United States in the sense of the term as used in the act of regulation of the Interstate Commerce Commission. This decision relieves the Morgan-Guggenheim syndicate, operating the Alaskan lines, of any supervision by the commission.

WICKERSHAM ADVOCATES
FEDERAL CONTROL

CHICAGO, June 24.—Federal regulation and control of railroad stock and bond issues was advocated by Attorney General Wickersham in an address before the Illinois Bar Association. He argued that congress has constitutionally empowered the exercise of such control. He said: "The courts have condemned reckless watering of stocks and bonds, which certainly is demoralizing. The record of railroad receiverships and foreclosures for the last twenty years testifies to the effect that such issues have on the ability of road to perform their functions. Utterances of stock for adequate reasons and fictitious consideration, furnish opportunities for irresponsible control."

THIRTY-SEVEN SOLDIERS DIE IN RAILWAY WRECK

MEXICO CITY, June 24.—Confirmation of the fatal accident on the Mexican Central railway in the state of Colima when four cars of a troop train ran away on a steep grade, was received today. The message states that thirty-seven soldiers, instead of twenty as first reported were killed. Fifty were severely injured.

The troops were enroute to the American border to suppress election disturbances. In addition to the one hundred and fifty soldiers aboard the train there were many of their wives and children. Seven officers are reported as among the dead. The engineer and conductor of the train have been arrested.

FRUIT GROWERS MEET— COMMENTS GOVERNOR

SACRAMENTO, June 24.—The State Fruit Growers convention opened here today and was addressed by Governor Gillett. The convention adopted a resolution endorsing Gov. Gillett's action in preventing the Jeffries-Johnson fight and declaring the association was more interested in fruit growing than prize fights. Matters of routine business were transacted.

Indiana's Tent Meetings
INDIANAPOLIS, June 24.—(Special Correspondence)—There is a lively demand for tent meetings in response to the announcement from headquarters that tents could be assigned to communities meeting the moderate conditions named. The third tent has been purchased, and the expectation is that the call already sent out for funds to equip this work will permit the purchase of still a fourth tent. Tent No. 2 began work May 31 at Elmore under charge of Orlando Hadley. Tent No. 3 is expected to wave open its portals at Anderson on June 6, with County Chairman Shanklin proclaiming its possibilities to the public. Strong hopes are felt in this method of work to press forward the Prohibition campaign.

STRIKERS PLAN TO FOUND TENT CITY

Injunctions Against Pickets
Forcing 3000 Workers
From Los Angeles

LOS ANGELES, June 24.—A mass meeting today of 1500 striking metal workers voted approval of a plan to migrate from Los Angeles to some beach town and found a tent city. The movement would affect three thousand persons.

The action is the result of the granting of three injunctions today preventing the strikers' pickets from patrolling the vicinity of the foundries against whom they are making their fight. The injunctions were asked by the Llewellyn Iron Works and the Western Pipe and Steel Works. The beach towns will be asked to donate a site.

WILL TRY HIM IN SAN DIEGO

Gregorio Gusman, Who Fired
at Chadney, Taken South
to Answer to Charge

Gregorio Gusman is to be tried in San Diego for assault with a deadly weapon with intent to murder. He is the man who was arrested by Officer Cervantes and City Marshal Edwards at Peralta last Saturday night. The man was taken from Los Angeles to San Diego yesterday.

About April 22, Gusman and Jose Garcia were surprised as they were guiding a band of contraband Chinese near San Onofre. Gusman fired at close range at William Chadney, a Chinese inspector from San Diego, and then escaped in the brush.

At that time Officer Cervantes received word from United States Marshal Youngworth to keep on the lookout for Gusman. Cervantes got word Saturday that Gusman had arrived at Anaheim. In an automobile he and the city marshal went to Anaheim, and there learned that Gusman was on his way up the Santa Ana canyon. Gusman was caught at Peralta, and was taken to Los Angeles by a Federal officer.

A complaint had been sworn to in San Diego, charging Gusman with felony, and it was decided to prosecute him on that charge rather than on a charge of guiding Chinese.

Gusman was in the tent at Carriso's sheep-shearers' camp on Sept. 22, when Rosario Sainz, in jail here awaiting trial for murder, killed Jose Machado. Sainz and Gusman were compadres in smuggling Chinese.

HIS PIE HABIT IS SOURCE OF TROUBLE

Wm. Smith is Again in Jail for
Theft of Pastry From
Lunch Wagon

William Smith has a liking for pie, and that may be the reason he is under sentence to thirty days in the county jail. Several weeks ago he was arrested for stealing pies and bread from a man who was at that time his roommate. The roommate ran a tamale wagon and lunch counter. After the wagon was closed at night, Smith often sought its provisions. He was arrested, and given probation by Justice Smithwick.

The pie habit was still strong with William. He was arrested today for stealing pie from the lunch-wagon of William McDonald.

Smith was arrested by Officer Hamilton and pleaded guilty before Justice Smithwick to a charge of petty larceny. He was given thirty days in jail. Smith hangs about the streets, seemingly without any occupation. He is about 30 years old.

COMES BACK AT CANAL COMPANY AGAIN

Compromise Efforts May be
Abandoned and Courts
Left to Settle

MEETING YESTERDAY
REACHED NO END

Local Water Companies Send
Final Proposal to River-
side Company

The Santa Ana Valley Irrigation Co. and the Anaheim Union Water Co. have not yet reached an agreement with the Gage Canal Co. for the compromise of the suit in which the former companies are plaintiffs and the last named one of several defendants. It begins to look as though a court will be called upon to name terms of settlement.

There was a joint meeting of the Orange county irrigation boards at Anaheim yesterday. With them was a representative of the Gage Canal Co. of Riverside. The two water boards reached an agreement as to what they would do. The Gage representative came back with a proposition, which the boards rejected. The proposal as the water boards agreed upon will be given to the Gage people, and if rejected compromise will be very nearly at an end. Several hours were spent in yesterday's discussion.

The water companies have found compromise with some of the other Riverside county companies fairly easy to make, but the Gage Canal Co. and the boards have had many conferences and visits of committees back and forth, and the agreement is not yet reached.

The Gage Canal Co. asserts a claim to 2300 inches of water, which claim is not denied it by the lower companies. It is on other terms that the hitch has come.

JEFFRIES IN GOOD FORM— RENO FAST FILLING UP

RENO, June 24.—Jeffries is in excellent spirits and went through his training stunts with a dash that delighted all spectators. The altitude has no effect on him, he says. He feels even better than at Rorwardenna. He plans heavier boxing work in the remaining days before the fight.

The city is rapidly filling with easterners. All hotel accommodations have been reserved. Many women are visiting the Jeffries camp.

FRANCE GETS BUSY OVER LAWS TO HELP ALONG BIRTH RATE

PARIS, June 23.—A series of measures designed to stimulate the birth rate in France was introduced in Parliament yesterday.

They include the imposition of additional military service on bachelors more than 29 years of age; making obligatory the marriage of state employees who have reached the age of 25 years, with supplementary salaries and pension allowances for those with more than three children, and the repeal of the law requiring equal distribution of estates among the children.

The dislike of Frenchmen to divide their property is a frequent cause of restricted families, according to those who have made a study of the subject.

The proposed legislation follows the recent publication of statistics, which showed that the births in the republic during 1909 were 770,000, against 792,000 in the preceding year, and the population has been increased by only 3,000,000 since 1851.

MRS. PECKHAM WINS CASE AND \$100 PER JURY

Judge Hervey Gives Choice Bits
of Advice in Making His
Decision

LOS ANGELES, June 24.—The suit for divorce brought by George C. Peckham against Agda Peckham in Judge Hervey's court was denied yesterday, after the final evidence had been presented.

Mrs. Peckham, who sued for maintenance only, won her case and was granted \$100 a month and a certain amount of property was ordered by the court to be placed in trust as a guarantee of payment.

In summing up the evidence Judge Hervey stated that a man should not retain a woman in his service if his wife was jealous of her and if the continuance of such service caused the wife worry.

MEET PACKERS TO BE ON RACK

Atty. General Declares They
Will be Gone After as
Individuals

CHICAGO, June 24.—Attorney General Wickersham declared that the government prosecution of several indicted meat packing companies will be continued despite the ruling of Judge Landis that the indictments were faulty, and did not state the proper grounds for prosecution. He declined to discuss the report that the laxity with which the indictments were drawn was the result of differences between himself and Landis when the investigation began. He intimated that the packers would be prosecuted as individuals instead of under a blanket indictment.

SMITH'S PETITION FILED BY MOYE

Henry H. Moye today filed the nomination petition in this county for S. C. Smith of Bakersfield, candidate for re-election as congressman, seeking the Republican nomination. G. Y. Preatt has filed the nomination petitions of the Democratic state ticket. A candidate for a state office needs but one per cent of the vote cast for the head of the ticket at the last general election. The petitions contained thirty names, which was more than the law requires.

BROWN CASE GOES TO JURY THIS AFTERNOON

CHICAGO, June 24.—The case of Lee O'Neill Brown, charged with bribery in connection with the election of Senator Lorimer, will go to the jury this afternoon. District Attorney Wayman concluded the final arguments for the state at noon. Instructions to the jury will be given this afternoon.

CHARLTON TO BE FOUGHT FOR BY TWO FACTIONS

Father Will Seek to Keep His
Erring Son From Being
Deported

CAPT. SCOTT TO STRIVE
TO SEND HIM TO ITALY

Murderer Was Nervous Dur-
ing the Night—Read His
Confession in Papers

WASHINGTON, June 24.—The fight over the extradition of Porter Charlton, who confessed that he murdered his wife, Mary Castle Charlton, whose body was found in a trunk in Lake Como, threatens to resolve itself into a battle between Captain Scott of the regular army, the murdered woman's brother, and Judge Charlton, Porter's father and an employee of the Bureau of Insular Affairs. Judge Charlton is employing the best legal talent to prevent extradition. Scott will probably work with Marquis Di Montaglia, the Italian charge d'affaires, to secure Charlton's deportation. Legal opinion is divided.

Charlton was watched throughout the night for fear he would commit suicide. The heat disturbed him and he was nervous. He talked to the guards until 1 o'clock, then slept until five. He ate a hearty breakfast and read the newspaper accounts of his confession.

He was arraigned before Recorder McGovern this morning. The recorder adjourned the preliminary examination until Tuesday at the request of Charlton's attorneys, who declared they were not sufficiently familiar with the case to proceed now. Judge Charlton has announced that he has weighty proof that his son is insane.

GOVERNMENT LIKELY TO GRANT
EXTRADITION FOR CHARLTON
COMO, June 24.—Prosecutor Gualia has signed an affidavit charging Porter Charlton with the murder of his wife. The affidavit will be signed by the local judge, and sent to the foreign office which will demand extradition. It is believed here that the American government will grant extradition and that Charlton will receive a light sentence as he will probably be able to prove that the murder was unpremeditated.

STRUGGLE BETWEEN FAMILIES
OVER EXTRADITION IS ON
HOBOKEN, June 24.—Powerful influences are being brought against the efforts of the Italian government to secure the extradition of Porter Charlton, the confessed wife murderer. Capt. Scott, the woman's brother is heading a movement of her family to aid in extradition, while Charlton's family is aligned to prevent it. Judge Charlton today hired lawyers with national reputations to defend his son. Results of the struggle can not be predicted.

DEPARTMENT SAID TO FAVOR
CHARLTON'S TRIAL IN ITALY
WASHINGTON, June 24.—Recorder McGovern of Hoboken, today telegraphed to the Department of Justice asking its pleasure regarding the disposition of the Charlton case. Attorney General Wickersham is absent, but it is intimated that the department favors Charlton's return to Italy for trial.

DEAFNESS CANNOT BE CURED
by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

SILVA AGAIN ON RAMPAGE

This Time He Has Rig From Anaheim Stable—Several Such Escapades

Tony Silva is wanted again. He is supposed to be somewhere in the county on a drunk. On different occasions he has hired a livery rig and started drinking. He keeps at the drinking until he gets into such a condition that he does not know where he is nor what he is doing. Then he abandons his horse and buggy, and the abandonment is as likely to take place in the middle of the mesa as anywhere else.

of this city several months ago was left near Old Newport. The horse wandered into the stable and the buggy was found later. Silva avoided arrest for several weeks. He settled for damages and paid a fine. A short time ago he borrowed a team from I. M. Von Schrititz. It was three days before Von Schrititz saw anything of his horses. One of them came home. Von Schrititz found the other hitched to a tree near a Jap camp. The animal had stood there for two days without food or water.

Tuesday Silva hired a rig from Hahn's livery stable at Anaheim, and nothing has been heard of Silva nor the rig since that time. Constable Jackson, who caught Silva following the Iowa Stables escapade, is on the lookout for the man. The horse is a gray.

Dust Cleaner

Is a granulated Sweeping Compound chemically prepared so as to clean, polish and disinfect floors. It purifies. It kills disease germs, moths and fleas, saves dusting and scrubbing, and makes sweeping a pleasure.

The following endorsement was made by The College of Medicine of the University of Southern California:

We would state that after one year's use in the buildings of the College of Medicine, U. S. C., we are convinced that it is advantageous, because it not only does away with the dust nuisance, and is therefore more hygienic, but because the addition of antiseptics, such as carbolic acid mixed in same, adds to its antiseptic value.

Applicable on Carpets, Linoleum, Wood Floors of all kinds, Tiling and Concrete.

Used generally in Banks, Stores, Office Buildings, Churches, Colleges, Public Buildings and Residences, and recommended most highly by all users.

Westminster People Petition Southern Pacific for an Additional Car Service

WESTMINSTER, June 23.—Quite a wave of excitement is being experienced by the people here over the prospect of a motor car service over the Southern Pacific from Los Angeles to Huntington Beach by way of West Anaheim and Westminster. A petition is being circulated and has been signed by 180 citizens in this immediate vicinity. Petitions are also in circulation in Smeltzer, Tustin, Talbert, Huntington Beach and West Anaheim. People of this vicinity will be greatly benefited by a service each way a day and not only the business interests, but the social, and also it would be a great boon to the young people along the railroad who attend the high school at Huntington Beach. It is to be hoped the people will go after the petition with so much enthusiasm that the service will be secured.

The Modesty of Women

Naturally makes them shrink from the immoderate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debilitating drains, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest professional endorsements of its ingredients will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days insist on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

FRANCE GETS BUSY OVER LAWS TO HELP ALONG BIRTH RATE

PARIS, June 23.—A series of measures designed to stimulate the birth rate in France was introduced in Parliament yesterday.

They include the imposition of additional military service on bachelors more than 29 years of age; making obligatory the marriage of state employees who have reached the age of 25 years, with supplementary salaries and pension allowances for those with more than three children, and the repeal of the law requiring equal distribution of estates among the children.

The dislike of Frenchmen to divide their property is a frequent cause of restricted families, according to those who have made a study of the subject.

The proposed legislation follows the recent publication of statistics, which showed that the births in the republic during 1909 were 770,000, against 792,000 in the preceding year, and the population has been increased by only 3,000,000 since 1851.

SPEECHES AT CLUB SMOKER

Every Candidate Present and Several Others Were Called Upon to Address Meeting

About seventy-five voters were present at the smoker given by the Republican Club of the Third Supervisorial District at Miller's Hall, Anaheim, last night. A feature of the evening was the speech-making. J. S. Howard of Anaheim, president of the club, presided. Every candidate present was called on for a speech, and each man responded.

The candidates present were:

Clyde Bishop, candidate for the Republican nomination for assemblyman; W. B. Williams, clerk; C. D. Lester, auditor; A. I. Stewart, assessor; J. C. Metzgar, treasurer; Chris Pann, treasurer; R. P. Mitchell, school superintendent; L. A. Durfee, school superintendent; L. A. West, district attorney; Bert Annin and John Hahn, supervisors, Third district. Addresses were delivered by Richard Melrose of Anaheim, N. T. Edwards of Orange, Judge West, J. C. Burke and L. L. Shaw of Santa Ana.

AS TO SUGAR BEET GROWING

Professor Twombly's Article Calls Denial from Southern California Sugar Co.

Huntington Beach News: The article written by Prof. S. S. Twombly, which appeared in last week's issue of this newspaper under the title of "Crop Rotation in Orange County," has called forth the following letter from the Southern California Sugar company of Santa Ana:

"Santa Ana, Cal. June 20, 1910—Huntington Beach News, Huntington Beach, Cal. Gentlemen—In the last issue of your paper we notice an article by S. S. Twombly, B. S., with regard to crop rotation and note therein that he states that the amount of plant food taken out of the soil by raising a crop of (sugar) beets is considerable.

"We are enclosing you, under separate cover, an article prepared by Mr. Truman G. Palmer, showing the effect upon the soil from the raising of sugar beets. This pamphlet is distributed by the Southern California Sugar company and can be obtained by anyone desiring a copy. Yours truly,

"Southern California Sugar Co.,
"By F. B. Case, Manager."

Livesey's Bike Shop

the gentleman named, delivered at the 20th session of the Trans-Mississippi Commercial Congress at Denver, Colorado, on August 17, 1909. In that address occurs the following statement in regard to sugar beet culture:

" * * No sagebrush farmer, who farms sugar beets in a slipshod manner can make a cent at the business. Shiftless farming methods may yield a small profit when applied to producing most of our other crops, but every farmer who does not take reasonably good care of his sugar beets will lose money on the crop. * * Sugar beet culture rids the land of weeds, wild oats and other undesirable vegetation.

" * * In plowing for grain, we usually turn the soil over to a depth of six inches, sometimes seven, but more often five. Beneath the soil we turn over, the ground is so hard the grain roots will not penetrate it and consequently all the nutriment our crops receive is drawn from the five to seven inches of top soil. To prepare the soil properly for sugar beets a sub-soiler is employed which stirs the soil to a depth of from twelve to fourteen inches. The general conception of a sugar beet is that it is one large root, but this is erroneous. In addition to the main root there are a multitude of small fibrous roots which nourish the main one. These fibrous roots go down as deep as the earth is stirred and sometimes even deeper. When the main roots are plowed up in the fall, these fibrous roots are broken off in the ground, and, in rotting, add humus to the lower strata of soil, also leaving minute interstices to the full depth that they have penetrated. When other crops follow beets, the roots, instead of going down only to the depth of the plowing, find the little enriched interstices left by the decayed minute beet roots and following them on down they draw nutriment from twelve inches of soil instead of from six inches of soil. In other words, the culture of beets doubles the soil without adding to the acreage."

Other paragraphs in the pamphlet are devoted to showing that raising sugar beets rather enriches than impoverishes the land. And so we see that in beet culture, as in human diseases, doctors differ.

ROYER PASSES IT TO BELL

Anaheim Man Will be a Candidate if His Old Friend Wants Him to Run

Major Royer of Anaheim may yet be a candidate for the Democratic nomination for the assemblyman.

Yesterday some twenty-five Democrats from this vicinity visited Major Royer at his home, and urged him to enter the race.

The first point to be settled on the arrival of the party at the major's home was that of his partisanship. The Anaheim Gazette had published a statement to the effect that Royer is a Republican. Yesterday he stated to his visitors that he was not a very strong party man, but his sympathies are with the Democrats, and he is considered a Democrat. He says he believes in the principles of that party.

He said that his chief interest in politics is to help advance the interests of Theodore A. Bell, candidate for the Democratic nomination for governor. He said that he and Bell were raised together, went to school together and are close personal friends. He had expected to take the stump this fall in Bell's behalf.

As to his candidacy for assemblyman in this county, he said he would leave it to Bell. If Bell wants him to run he will run. If he runs he will go in and make a fight for election. He said he would communicate with Theodore A. at once, and would abide by that leader's decision.

The Democrats here feel confident that Royer is as good as in the race.

A GOOD WORD FOR THE
"COUNTY HOSPITAL"

There has been much ugly talk on the streets, in the newspapers and at meetings of civic bodies about the "County Hospital" at the corner of Fifth and Spurgeon streets in this city. It should be understood that, at least so far as the past two years are concerned, the objection has been directed against the location and character of the building—especially the location—and not against the way the institution is managed or conducted. Inquiry leads to the belief that at least during the period stated the institution has been as well managed, and conditions generally have been as good as possible in such a building and in such a location.

The nuisance or menace—the ground for condemnation by the public and by the City Board of Health—are inherent, due to the very nature of the institution.

Certainly the supervisors and the superintendent are to be commended for the neat and attractive appearance of the grounds, which are prettily parked, and for the general air of cleanliness that pertains to the whole place.

FRANK S. TRICKEY

This is a story about Frank S. Trickey, and incidentally a tale of the tribe of Trickey—for there is a tribe of them in Orange county.

Frank, you know, is a candidate for County Auditor on the Republican ticket, and while he is fully desirous of recognition on his own account, as a clean, industrious, competent young business man, his friends feel that they are warranted in calling attention to the fact that there are a dozen or more Trickey families in Orange county—brothers, uncles, cousins, etc., of Frank—all good Republicans and good citizens; most of them voters and quite large taxpayers.

J. N. Trickey & Sons conduct the biggest grocery store in Santa Ana, and also a store at Newport Beach. This is the firm of which Frank is a member, being at the head of its accounting department.

Besides four married brothers, Frank has three uncles, R. L. and T. N. Trickey, and J. N. Chamberlain, all owning good holdings of Orange county real estate. T. N. Trickey is a G. A. R. man, and is in charge of the Trickey store at Newport. R. L. Trickey is a rancher on Seventeenth street, and has three married sons. Another uncle, the late B. F. Trickey, was a G. A. R. man, who left a substantial estate, of which Frank's cousin, Ira P. Trickey, is administrator. But the tribe is too numerous to go into detail.

Frank was born in Kansas thirty years ago, and was educated there in the public schools. His training as a business man and accountant began

early, eleven years ago when he moved to Santa Ana with his father's family. He has a wife and little girl and owns his own home at 1714 North Broadway.

For qualities of integrity, courtesy, tact and business ability Frank Trickey is the peer of any young man in the county.

Organ Recital

Mr. Alan A. Revill, organist of the Congregational church, will give an organ recital in the church Tuesday evening, June 28. Mr. Revill has won a place for himself in Santa Ana by his marked ability as a musician, as shown by his work at the organ. This recital, given under the auspices of the men of the church, will be in the nature of an introduction of Mr. Revill to the general public, and will be free to all, a silver offering being received. A delightful evening of music is assured.

Luncheon Guests

Mrs. Charles Kelley and Mrs. Thurston Daniel were guests at a luncheon given at the Alexandria today. They went to the city on an early morning car.

Royal Neighbors' Picnic

The Royal Neighbors of America held a picnic in Birch Park yesterday afternoon. They had invited for their guests the Orange and Wintersburg camps, and many representatives of those camps were present.

Children romped on the lawn, rolled hoop, ran potato races and played various games, while the older ones played games or sat in groups enjoying pleasant conversation.

When lunch was announced everybody was seated on the ground in two long groups, in regular old fashioned picnic style. Over 75 were served. Salads, cold tongue, pickles, sandwiches, ice cream and cake made up an excellent lunch. All enjoyed the pleasant afternoon.

joyed the pleasant afternoon.

After Cummock Scholarship
Miss Winifred Roberts has been nominated as a contestant in the Los Angeles Times' scholarship contest and has accepted the nomination. She is the only contestant from Orange county and will strive for a scholarship in that deservedly popular school, Cummock School of Expression, Los Angeles. Miss Roberts' marked ability in expression work peculiarly fits her for the Cummock course.

Miss Roberts is the daughter of Prof. W. C. Roberts, principal of the Lincoln grammar school, graduating tonight from the High School. She has been one of the oratorical stars of the Santa Ana High, participating in several debates with other schools. She was also efficient in other lines of work and will be a worthy representative of Santa Ana in any institution she may enter. Undoubtedly she will have active support throughout Orange county in her effort for the Cummock scholarship.

Honored on Birthday

Mrs. A. Franzen was complimented Thursday in honor of her seventy-first birthday. Cheer and good wishes began in the morning in the form of a postal card shower, which was a delight to the recipient. The thoughtfulness of so many well wishers in this way seemed enough, but in the afternoon the home was filled with those who wanted personally to congratulate and visit with Mrs. Franzen. The guests brought with them their needlework and refreshments. Many pretty gifts were also left with Mrs. Franzen.

Mr. and Mrs. Franzen and their two married daughters have been residents of Orange county for the past twenty years. The many expressions of love and esteem of yesterday bore testimony of the wish on the part of the mother's friends that she may have many more years here amid fond friends and relatives.

Farmers' Club

The Farmers' Club will meet tomorrow night at the residence of Col. and Mrs. G. W. Wilcox, 2409 Main street.

This will be "Ladies' Night," and the program will be in charge of the vice-president, Mrs. W. L. Grubb. All are invited to be present.

So So Club Meeting

Clubs are holding their final meetings for the year, after having had pleasant times galore during the social season. The So So girls met yesterday afternoon at the home of Miss Helen Eubank, for what was probably their closing meeting until next October. With needlework and conversation the hours flew rapidly. Dainty refreshments were the final feature of the social affair, and were attractively prepared in the tints of a color scheme of red and green. The same colors were used in the house decoration, dahlias, sweet peas and various ferns being used. As a reminder of the sewing circle's grand mothers' day, a bunch of old fashioned lavender flowers tied with red ribbon

Closing Choral Service

The First Baptist choir is arranging for the last of the choral services this season, to be given Sunday evening.

Thimble Club

The West End Thimble Club had its final meeting for the season yesterday afternoon at the home of Mrs. W. W. Henry of Santa Clara avenue. The rooms were fragrant with cut flowers and were filled by a company of about thirty ladies. Readings by Misses Slocum and Ellis-

worth and Mrs. Machunder were much enjoyed, as were the songs given by Mrs. Reuben Moyer. The numbers were, "Oh, Dry Those Tears," "Shoogy Shoo" and "Sing Me to Sleep."

A story telling contest conducted by Mrs. Nisson proved to be of great interest. The awards in this contest were a Japanese air plant to Mrs. Lucy McCowen for first prize, and a bouquet of gladioli to Miss Elsie Elliott for second prize. The judges were Mrs. Greenleaf and Mrs. R. Moyer.

Mrs. Rich and Mrs. McDaniel, sisters, and guests of Mr. and Mrs. L. D. Fine, were honored guests of the hostess and were presented with bouquets of roses.

Mrs. Nellie Young and Mrs. Woodside were guests of the club. Delicious refreshments were served by Mrs. Henry, who was assisted by the Misses Clark.

Commencement Tonight

High School commencement week closes with the graduating exercises tonight at the High School. The year just closed has been a highly successful one and ends with a graduating class of thirty-four, who will tonight receive their diplomas.

Birthday Party

A pleasant birthday party was tendered to Floyd Mitchell last night at his home, the occasion being his nineteenth birthday. Music, games and refreshments were features of the evening.

The guests present were Misses May and Nell Catheart, May Fleischman, Nell Buckley, Messrs. Bert Sutton, Geo. Fleischman, Barney Mackey.

SOME GOOD ADVICE ON FRUIT BLEACHING

—Be careful what grade of sulphur you buy for bleaching your fruit. Any kind of sulphur won't do. If your dried fruit is to bring the best price in the market it is of the utmost importance that it be bleached evenly and well. It takes good sulphur to do this. It takes a sulphur that ignites quickly and burns freely, evenly and completely, thus liberating the greatest possible amount of sulphurous acid gas. If your sulphur does not burn readily and goes out or burns too slowly you will find that the fruit on the lower trays will be in all probability overbleached while the fruit on the upper trays will not be bleached enough and your dried fruit will not grade evenly and bring the best price. Take our advice—don't experiment with an unknown grade of sulphur. The sulphur we sell has been tested repeatedly and does all that we say good sulphur should do. It meets every requirement—and we will sell it to you for as low a price as inferior grades have been quoted. Come in and get a sample. Dean's Drug Store, 104 West Fourth St.

H. Kenah Unconscious When Picked Up—Chicken Thieves Reported Busy

GARDEN GROVE, June 23.—H. Kenah had an accident yesterday while he was working with a colt in breaking it. The rope in some way became wrapped around his foot and tripped him and he was dragged some distance. He was unconscious for some time but is very much improved this morning and is not in danger.

Miss Emma Belt who has been visiting her mother and sisters, returned to her work in Covina Tuesday afternoon.

Chicken thieves are very busy in and around this place. They have visited Mrs. A. L. Davis's home two times lately taking all of her chickens except thirteen. She is well armed now and upon their next visit they will get a warm reception. Other neighbors are prepared for the thieves should they visit their chicken roosts.

Dr. Violet is quite under the weather with lumbago.

Rev. Pate, the new Baptist minister and his wife, have taken up their residence with Mrs. Jones.

Miss Constance German has gone to Los Angeles to visit friends.

Mrs. Peterson of Los Angeles is here visiting her uncle and aunt, Mr. and Mrs. S. Penfold.

Mr. H. Powell with his son and daughter, Frank and Iva, returned Sunday morning from a ten day vacation with relatives in Los Angeles and Watts. The trip was made in their machine.

Raymond E. Beardsley was a Los Angeles visitor Saturday.

Mrs. Wade and her daughter, Bernice, mother and sister of Mrs. G. L. Beardsley, are attending the Methodist camp meeting at Los Angeles.

Miss Mabel Hawley, whose home is about two and one-half miles northeast of Garden Grove, is very low with slow typhoid fever.

Dr. Wilkey, the Y. M. C. A. secretary, made his annual visit to Garden Grove today.

Mr. and Mrs. Jas Harlin of Old Newport, a former resident of this place, visited with Mr. and Mrs. J. T. McElree Sunday.

Mrs. Newman, Mrs. Winter's mother, left this place today to visit her children in Nevada.

Harry Kenah was on the sick list, but is again able to eat three full meals a day.

E. Beardsley is enjoying the day fishing.

THE NEW SPRING FEVER TREATMENT

Best Spring Treatment Costing But a Few Cents produces Astonishing Results

Robinson Drugless Treatment Proves Revelation in Treatment of Many Diseases

One Robinson Thermal or Turkish bath for those of weakened vitality will do more good in a half hour as a spring medicine than can be expected from any drug in the world.

Many startling results have been produced by the use of the Robinson Thermal Bath. It is revolutionizing the treatment of disease. Prominent physicians are abandoning drugs in many cases for this new treatment. Those who have tried them are astonished at the change in their condition.

The intense, exquisite feeling of happiness, strength and mental clearness which results are impossible to express in words.

Read this letter from Mr. Frank A. Thurston of New York and then judge for yourself:

I only regret that I have delayed this necessity and luxury so long. The cabinet is all you claim for it; a preserver and restorer to health. I use your cabinet with great satisfaction, as it gives new life and vigor to the entire system. The feature of breathing pure air is a great advantage over the Turkish bath. Another feature is being able to take a bath in one's own home before retiring. I do not believe that any intelligent man or woman would live without the cabinet after giving it a thorough test.

Open up the pores and the change seems almost miraculous; nerves are strengthened at once, kidneys get well; eczema, pimples and skin diseases vanish; bad colds, lumbago, rheumatism, dyspepsia, throat and lung trouble, insomnia and constipation disappear as though some wonderful force had lifted them away.

Every man or woman can now have a Robinson Thermal Bath at home, at a cost of but a few cents, and without trouble.

The Robinson Thermal Bath Cabinets are now being exhibited, and are on sale in Tustin at the Tustin Drug Store, and at the Rowley Drug Co.

Ask the dealer also for that great book, "The Philosophy of Health and Beauty." The regular price is \$2.00, but you can get one free for a limited time.

OUTLET FOR THE SUGAR FACTORY

Huntington Beach Disturbed Over the Possible Nuisance Arising From the Factory

Huntington Beach News: On last Saturday, the Southern California Sugar Company made an agreement with the Talbert Drainage District by which the company is to have the use of ditch No. 1 for carrying drain water from the sugar factory to tide water. Five hundred dollars is to be paid for the privilege and the agreement covers the season of 1910.

The sugar company is to hold the district free from any expense accruing from damage suits or the flow of water through the ditch. The company is now engaged in putting down a pipe line to connect with the ditch named.

The obtaining of this privilege appears to have been put through very quietly and may operate injuriously to this section. The matter was taken up by the local Board of Trade at its last meeting and referred to the city trustees, who in turn referred it to their health board, but nothing was done to prevent the carrying out of the project. Supervisor T. B. Talbert was present when the proposition came before the Board of Supervisors last month.

TIZ—FOR SORE FEET

Tired, Aching, Swollen, Smelly, Sweat Feet? Corns, Callouses or Bunions? Use TIZ. It's Sure, Quick and Certain

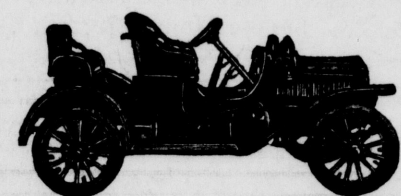

You Will Enjoy Using TIZ. The Most Pleasant Remedy You Ever Tried and Moreover It Works

At last there is instant relief and a lasting, permanent remedy for sore feet. No more tired feet. No more aching feet. No more swollen, bad smelling, sweaty feet. No more corns. No more bunions. No more callouses, no matter what ails your feet or what under the sun you've tried without getting relief, just use TIZ.

TIZ is totally unlike anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists, 25 cents per box or direct if you wish from Walter Luther Dodge & Co., Chicago, Ill.

LOS ANGELES PRODUCE MARKET

Receipts of Sweetwater grapes were a little heavier than usual and prices were lowered a few cents. The grapes were in good condition and were soon disposed of. No other varieties were received yesterday morning. Berries were plentiful, especially strawberries, which were almost a drug on the market. Black and raspberries were in good demand at unchanged prices. Loganberries were not in as large quantities as the others.

Plums were much in evidence and sold rapidly at the same prices as Wednesday. Most of the peaches on hand were taken at \$1.25 per lug, with a few of the poorer quality selling at a few cents lower. Apricots and tomatoes were unchanged in tone and prices.

The asparagus was the best so far of the season, and was in big demand at 7 cents per pound. Growers have lost considerable money on asparagus this year and yesterday was about the first day that any profit was made. Prices on sweet corn was down a little. The supply was large and the ears were mostly big and full.

The reduction of Wednesday in the price of local eggs did not stay long, and yesterday the stock was advanced 1 cent. Calls were made for case-accounts at 23, but they were held at 1 cent above this. A quantity of eastern storage extras and seconds were placed on the market, but no one seemed to want them. Egg arrivals were 208 cases.

The butter market was practically the same as the previous day. California creamery stock was firm and held above quotations. The usual offerings were made in lard and cooking stock. Receipts in butter were 39,391 pounds. Arrivals in cheese were light, 982 pounds. Northern fresh, eastern daisy and Edam were offered, with the only demand for the daisy.

New potatoes were somewhat cheaper yesterday. A few Idahos were offered at \$1.00, but were not in demand. Potato receipts were 653 sacks. Fish shipments were light, but the supply was large, enough to meet most of the calls.

CONNECTION COMPLETED

Ballasting Track on Fullerton—
Placentia Cut-off—Grocer
Dies Suddenly

FULLERTON, June 23.—S. E. McGimpsey, a well-known grocer, died suddenly at the Fullerton Hospital this afternoon at 1 o'clock. He had been slightly ill for several days, but little was thought of it until last evening, when he complained of feeling worse, and was hurried to the hospital for treatment. He became delirious during the night, and died this afternoon. He was 30 years of age and unmarried.

Connection with the Fullerton-Richfield cut-off was made yesterday and a large force of workmen was today ballasting the track preparatory to sending trains over the short road to San Bernardino. It is expected that traffic over the new branch will be instituted about July 1, and several important changes will then be made in the train service through this city. Santa Fe carpenters are working now on a switch tower at the depot.

Fullerton will celebrate the Fourth in a quiet and sane manner. At the last meeting of the city council an ordinance was passed restricting the firing of guns and crackers to a limited area on the Fourth, and prohibiting it entirely until that day.

The Sunday schools of this city united with those of Anaheim today and chartered a special train over the Southern Pacific leaving Anaheim at 7:30 this morning for Newport Beach, where the annual Sunday school picnic was held.

CAME TO SEE POPPY FIELD

Botanist at Anaheim Seeing the
White Variety of the State
Flower

ANAHEIM, June 23.—Mr. and Mrs. T. S. Brandegee of Berkeley were in this city yesterday. Mrs. Brandegee is associated with the botanical department of the University of California. She came to Anaheim to investigate the different species of the white poppy growing luxuriantly two miles southeast of the city.

This patch of wild flowers is the most extensive of its kind in the world, according to experts, and encroachments on the cultivated area are such that it may be obliterated in the near future. The white poppies grow as far north as Santa Barbara county, although the areas are small.

Similar flowers are said to thrive at the base of Mount Himalaya in Asia, but they are seen at their best at this time in the miniature forest near the Curtis gum grove, two miles southeast of Anaheim.

Mrs. Brandegee was directed here by Ernest Brunton, a Los Angeles botanist. She is making a tour of Southern California counties and examining the flora.

"There are millions of them," she said as she looked at the poppies. "They should be preserved by the state."

TAKE BRISCOE AT ROCHESTER

Swindler Who Represented
Anaheim Lands to be His
Caught by Police

Walter F. Briscoe, who used P. A. Stanton's lands near Anaheim as his own in promoting sales that were not genuine, without Stanton's knowledge, has been arrested in Rochester, N. Y. His ticket East was bought at Pomona. He will be brought back to Los Angeles for trial. Briscoe swindled, misappropriated money and left \$8000 in debts behind him. The Los Angeles Times says:

Walter Taylor, vice-president of the Llewellyn Iron Works, obtained a complaint in Justice Summerfield's court on the 14th inst., charging that Briscoe duped employees of the iron works by his various projects and fled without giving either investment

money or an explanation of his failure to show returns. Attorney John W. Kemp and Col. J. W. Brooks, also charge that they have been swindled by the promoter and politician.

The big proposition on which the promoter worked to obtain money, involved the purchase of a large tract in Orange county. He is said to have at first pretended to organize a syndicate of business men who agreed to purchase the land. At the same time he was selling small portions of the same tract to salaried men who had savings which they desired to invest.

CURED TO STAY CURED

How a Santa Ana Citizen Found
Complete Freedom From
Kidney Troubles

—If you suffer from backache—
From urinary disorders—
From any disease of the kidneys,
Be cured to stay cured.
Doan's Kidney Pills make lasting cures.

Santa Ana people testify.
Here's one case of it:

F. P. Fraser, 1642 Regent street, Santa Ana, Cal., says: "I have known and have been an endorser of Doan's Kidney Pills for some three years. Symptoms which gave evidence of weak kidneys were very pronounced in my case. For a long time I was subject to attacks of pain in my back and I was caused much annoyance by too frequent passages of the kidney secretions at night. When I commenced the use of Doan's Kidney Pills my condition was considerably worse than it had been for a long time, but it did not take this excellent medicine long to remove the pains and other troubles. I feel that I have every reason to give Doan's Kidney Pills my endorsement." (Statement made Mar. 8, 1907.)

Confirmed Proof

On August 11, 1909, Mr. Fraser was interviewed and he said: "I still hold Doan's Kidney Pills in high esteem and I gladly confirm my former endorsement of them. I have been free from every symptom of kidney complaint since this remedy cured me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SPECIAL CAR FOR BIG C. E. CONVENTION

Will Leave Los Angeles on the
Evening of June 30—Many
Already Pledged

Santa Ana's special car to San Jose for the California State Christian Endeavor convention is now assured. Word has been received from Transportation Manager Godber of Pasadena that the special train for Southern California will leave Los Angeles about 8 o'clock on the evening of June 30. In Santa Ana's car will be the following persons from Orange county:

From Santa Ana, Mr. and Mrs. Frank Todd, Mrs. Nannie Todd, Mr. and Mrs. T. L. Warren, Mrs. H. M. Hamilton, Leroy Warren, Mrs. J. Wiley Harris and sister, A. R. Marshall; from El Modena, Mr. and Mrs. John Miller, Mabel and Edith Culter, Grace Lentz, Leslie Beymer; from Tustin, Mr. and Mrs. E. W. Tuttle, Inez Phinney, Victor Kennedy, Misses Nellie and Lucy Hill, Irene Catland, Hope McPhee, Myrtle Wilson, Etta Conkle, Minnie Pearson, Lulu Minter, Lulu Finley, Olive Hutchison, Robbie Jones, Grace Parker, Bertha Whitehead, Mabel Nickell, Grace Talcott, Ada O'Brien, Emma Hasty, Cora and Winifred Reid; from Alamitos, Mr. and Mrs. Donald McMillan.

This car is to be specially decorated with Orange county colors and have a large streamer on which are the words, "Orange County Christian Endeavor Union. Come to Santa Ana in 1911." Badges representing small oranges have been made, with the Orange County Christian Endeavor emblem on them. These the delegates will wear. A clever song composed by Miss Culter of El Modena, will be sung again and again, in which reference is made to the spirit and zeal of Orange county young people. This large and enthusiastic delegation goes to San Jose armed with advertising matter and cordial invitations for the State Christian Endeavor convention in 1911. They have had printed several thousand badges in orange color with "Santa Ana, 1911" in bold type, and also similar hat badges; also several thousand celluloid oranges upon which is printed, "Meet Me in Santa Ana in 1911." 4% in Cash every 3 Months is the Dividend

"HOME BUILDERS" stockholders draw 4 per cent cash dividends every three months. This dividend is on the par value of \$1.00, and which is an earning of about 8½ per cent on the present price of its stock, \$1.90. These dividends are paid from its interest and building profits and not from the sale of its shares.

"HOME BUILDERS" started less than three years ago with \$1250.00 capital—today its assets exceed \$620,000.00, a gain of 496 times the original sum and its surplus is over \$155,000.00 which with its dividend earning power makes its stock worth \$1.90 or 90c above par.

"HOME BUILDERS" builds homes for its customers but does not speculate, for it builds only after contract is signed and first payment is made. It secures itself by deed or first mortgage and is the sole judge as to proportion of security to investment.

It has a waiting list of customers so large that its building department is swamped with orders and it is selling more of its capital stock to provide funds to take care of this great demand and make more profits in building and more dividends for its stockholders.

Now is the time to get 3 months earnings Read on 30 days work—an unusual opportunity

If you become a buyer of shares now, you will participate in the tenth quarter's 4 per cent cash dividend which will be declared July 31st, for all shares bought and paid for up to July 31st will participate.

This special opportunity is made to induce you to become a shareholder in this prosperous enterprise at once.

Write or call for personal and financial references.

is the intention to badge every person in the city of San Jose and if possible enlist their support.

Signed invitations have been secured from all the Christian Endeavor societies in the city, from the Church Federation, from the pastors and from the Merchants & Manufacturers' Association and the Chamber of Commerce. Already very encouraging communications have come from a number of prominent workers in the state. J. W. Warren, Santa Barbara, president in 1901, G. A. Godbear, Pasadena, president in 1909; Leon V. Shaw, Oakland, president in 1905; Neil Monroe, San Francisco, president this year, and J. P. Wells, Los Angeles, secretary this year, have all commended the effort for Santa Ana to win the convention.

We cordially invite you to call and inspect our Pianos, which are Pianos of Character with Quality Built In. Piano character is a mark of good taste, culture and refinement. It is the mirror which reflects a good impression upon you. You cannot afford to be careless in the choice when buying a new piano. Quality must be the first consideration. If you would be sure of permanent satisfaction get one of ours—a careful selection chosen from the blue blood of pianos. Come in and look them over. H. W.
